Delhi, India

## Summary

Give Counselling to the students having dream to study in top most engineering / medical colleges and also for joining defence services

---

## Experience

Taught in different- different Army public Schools

Career Counselor

July 2009 - Present (14 years 1 month)

India

I am an Army officer wife. I have taught Physics & Maths in different- different Army schools. My both Sons are IITians. Now, I am helping students for improving their Accuracy, Speed and Ranks in competitive exams like IIT, NITS, BITS & others colleges too. and also helping in to how to handle school and coaching. I am also helping and guiding the students to make their career in Defence services also if they are passionate in this field.

Self
